

**\$10k-\$20k-\$30k in 10 Days!**  
**Your Phoneless Sales Party Daily Actions for Success**

**At the beginning of every day...**

**1. Connect with your GOAL and your WHY.**

What's your DESIRED outcome that you are *choosing*?  
Why is creating that important to you?  
What will having that do for you?

**2. Impress the Field – send your decision into Creative Substance.**

Elizabeth's favorite method for this is... a gratitude statement.

Gratitude statements put you in the energy of already having it. A fantastic place to manifest from – because you already DO have it, and because this way, even for just a moment... you are vibrating the energy of "IT IS DONE" into the Field, rather than lack.

"I am so happy and grateful now that I have 3 new clients in [program name]. It is done!"

"I am so happy and grateful now that I'm enjoying \$30k in new booked sales and \$10k in upfront cash. It is DONE!"

"I am so happy and grateful now that [X]"

And I (Elizabeth) like to end with... "It is done, it is done, it is done!"

**3. Three Daily Activities**

From THIS place, take action on your 3 daily activities, in any order:

Making Invitations (getting hands raised)  
Sealing the Deal (getting the YES – or no!)  
Dialing It In (getting the data, and having THAT inform your next move

Data Points to pay attention to:

# 7-Figure Goddess®

How many hands were raised?  
By who/whom?  
Did they fill out the qualifying questions?  
What questions are they asking?  
Did they request the PDF?  
Did they actually BUY?

## **4. Along the way, TRACK and CELEBRATE!**

Track...

The number of invites (personal reach out + hand raisers) you make  
The number of hands raised  
The number of sales

CELEBRATE each of these demonstrations that your Desire is already here and is coming into physical form!

## **5. Along the way, CLEAR and RELEASE.**

Clear any resistance with love.

At the end of every day, CELEBRATE all actions you took, and *forgive yourself* for any "mistakes made," any way you feel like you let yourself down... or the like. Clear the slate for the next day.

## **6. When you hit a snag, LEAN IN and ask for help in the Facebook Group.**

## **7. Check in on the Facebook group at least once per day.**

Share wins, support your colleagues, receive wisdom from the team and above all... CELEBRATE every success.
